My dear Miss Parsons:

I have delayed answering your letter in regard to Miss Wollhampton, hoping that some member of the Board of Directors might be able to furnish additional information about her. I am sorry to say that we have no knowledge of her in recent years. The Christian name is Anna, and she was graduated from our School in the class of 1874. You will note that I have corrected the spelling of the name in accordance with our own records.

Very truly yours,
